

DEPENDABLE TO THE CORE

As a fourth-generation, family-owned company that's been at the forefront of innovation for more than 70 years, we know a thing or two about performance under pressure. And so do our core plugs.

We manufacture high-density, molded wood plugs that help the paper industry reduce loss and keep on rolling. And at Souhegan, we guarantee a steady inventory of the products you need, whenever you need them.

For more information on standard plug sizes and custom options call us at **(603) 654-2311** or visit us online at www.souheganwood.com
